MARLINTON PRESBYTERIAN CHURCH GOES OVER IN THE THREE MILLION DOLLAR CAMPAIGN

The Marlinton Presbyterian church gave a wonderful exhibition of team work on last Sunday afternoon when they made their every member canvass in the Three Million Dollar Campaign for Benevolences.

The church had set for its budget for the year 1918-19, \$1500 for church support and \$1000 for benevolences. Preparation for the campaign followed along these lines. First, S. N. Hench, superintendent of the Tannery, was elected campaign manager for the congregation.

To begin with he appointed an executive committee to plan the campaign. This committee consisted of J. A. Sydenstricker, L. M. McClintic, S. N. Hench, E. H. Wade and Geo. W. Sharp.

Promptly at 2 o'clock Sunday afternoon these eighteen men, with the exception of Mr Smith who was called out of town, met at the church; received a few definite instructions from the manager, spent a short period in prayer led by the pastor, J. M. Walker.

This was but one of the many thousand successful campaigns put on last Sunday in the Presbyterian church.

PATRIOTIC MEETING

Arrangements are being made for a great patriotic meeting in the Marlinton Presbyterian Church the 5th Sunday afternoon (Easter Sunday) beginning at 2:30.

CAMP GREENLEAF

Editor Times: Will try to give my Pocahontas friends a brief description of our trip and a soldier's life at Camp Greenleaf.

We arrived here about 1 a. m. March 10th, in company with the boys from Greenbrier, Summers, Monroe, Mineral, Fayette and Randolph, three hundred and thirty-four in all.

We cannot say too much in appreciation of what the good people of Marlinton, and especially the Red Cross workers did for us. One cannot realize how these things help until they are in the army.

We are being held in the Detention camps for two weeks, not being allowed to leave our quarters. It was here that the Y. M. C. A. did us a good turn by providing an annex for our special benefit.

I will close by saying for the benefit of the folks back home, that all our boys are in good spirits and are adjusting themselves to army life rapidly and if given a chance will make soldiers it to help down Kaiserism.

Save the flour and market the wheat before the first of May that there be no bread famine before the next harvest is the direction of the Food Administrator.

Each American boy can feel that in assisting to plant or save a crop, at a good wage, that he is offsetting the work of a German boy who is compelled to do this work.

GREENBANK

We are having fine spring time at this writing. Birds sing you to sleep and sing you awake.

The farmers have about all quit making sugar and molasses, having made a good deal—especially syrup—and are now plowing for a bumper crop.

The supper by the Red Cross at this place was a success socially and financially. About \$50 over cost of material was taken in. There was a good crowd, fine order and no booze.

Rev. G. H. Echols will preach his last sermon until after conference on March 31st, at 7:30 p. m. Everybody invited.

C. C. Malcom returned to his home near Monterey last Monday. H. F. Briscoe left Monday to work in the coal fields.

Mrs. Arthur Sheets, of Hillsboro, is visiting home folks at Wesley Chapel at this writing.

MINNEHAHA SPRINGS SOLD

Washington D. C.—L. M. Stephens prominent business man of Wheeling and New York, and Dr. R. J. Hersey, Wheeling physician, have acquired possession of the Minnehaha Springs property in Pocahontas County.

The new owners announce their intention of putting Minnehaha water on the market and of spending an immense sum in developing the property at once.

DURBIN

Saint Patrick's was a fine day. Preaching at the M. E. church last Sunday at 11 a. m. by Rev. Mr. Withers, and at the M. E. church, south in the evening by Rev. J. P. Atkins.

Dr. G. F. Hull is home from the south where he had been looking over the army boys. Durbin has more men, who want to go to the army.

Robert Hevener has about 400 bushels of potatoes to sell. We're coming along all O. K. if we get some flour—just enough for breakfast.

The Mayor of Durbin is going to have a cleanup day, if he has to clean up his own self. The Durbin school will close next Thursday, and Prof. Flynn will go into some other business.

Mrs. C. M. Stover was visiting friends at Hosterman and Boyer last week. While at Hosterman she secured seven new members for the Red Cross.
